

# FULTON COUNTY TRIBUNE.

Auditor, County 1-1-14

VOL XXXII

WAUSEON, OHIO, FRIDAY, OCTOBER 9, 1914

NO. 26

## WHAT IT COSTS

Figures Showing Cost to Fulton County of Charities and Correction for Last Fiscal Year. Furnished by Dr. C. N. Pond.

The following communication from C. N. Pond, D. D., secretary of the Extension Committee of the Ohio Conference of Charities and Correction, will be of interest to the taxpayers and citizens of Fulton county. Dr. Pond is remembered by many in Wauseon and vicinity as a pastor of the Congregational church in this city.

The communication which follows is self-explanatory: In December 1911 this office furnished you some figures regarding the cost of Charities and Correction in Fulton county. Now from recent reports we have very latest statistics for your county. They stand as follows:

Relief of Township Trustees \$ 337.18  
Jail maintenance " " 212.50  
Infirmary " " 4,482.88  
Outside relief by infirmary " " 582.68  
Blind Relief within the county " " 1,424.  
Total \$7,039.24

Proportionate Share of Cost of State Institutions \$20,862.87  
Total \$27,902.11

It is evident that the above facts, taken from reports of public officials, must have a bearing on many public questions, and among them very prominently the question of state-wide prohibition, also the ever-vital question of a suitable organization of our charities.

In the matter of township relief, my office can furnish figures for each separate township in Fulton county which has reported; viz., Dover, Franklin and Reynolds (the bars), German, Gorham, Swan Creek and York. This information will be given freely on application, though return postage would be appreciated.

Your county has been regularly represented in the state conferences of Charities and Correction; and at the last one, held in Akron, November 1913, there were present Wm. H. Maddox, county visitor, of Wauseon; Dr. E. H. Rorick, Fayette, and Mrs. Octavia Saxton, county visitor, of Delta.

Unquestionably this is a vital interest, affecting every taxpayer, and indeed every citizen. The people will be interested in the statements, and we trust you can find space for them in your valuable paper.

Yours sincerely,  
C. N. POND, Secretary.

## STATEMENT FROM CHAIRMAN JONES

I understand that the Democratic State Committee insists in a second statement that Frank B. Willis voted for what is known as the "Cincinnati Ripper Bill" in making the original charge, Governor Cox and his Campaign Committee dug a pit for our candidate for Governor, and they have fallen into it themselves. The bill in question was originally introduced and provided for the appointment by the Governor of the members of the Cincinnati Board of Public Service.

From the first, and all through the stages of the bill, Mr. Willis opposed the provision that the Governor of the State should appoint the members of a local board. He took this position even against the attitude of prominent members of his own party. The Cincinnati Enquirer at the time, paid Mr. Willis the compliment of saying that he made a "brilliant speech vindicating the rights of the people to elect their own officials. No declaration made by Mr. Willis in his recent campaign for the gubernatorial nomination was stronger and more explicit on this point than his declaration in the House of Representatives against the proposition that the governor of the state should appoint the members of a municipal body in Cincinnati. At the present time, as the candidate of the Republican party for governor, he insists on the right of the people to rule; so as a member of the legislature he unflinchingly took his position and he voted consistently as to all the amendments.

Now comes the climax, Frank Willis has his way. Principally through his stubborn insistence, the bill was amended so as to eliminate the power of appointment by the governor and to provide for the election by the people of the members of the board; then he voted for it. That was the bill elected by Governor Cox. The record is all in favor of Mr. Willis, and all against the misrepresentations contained in the speech of Governor Cox and the statement of his press bureau.

On this issue the Republicans of Ohio and the tactics of the Ohio State Democratic party who will vote against Governor Cox confidently await the result of the election.

EDWIN JONES, Chairman.  
Ohio Republican State Executive Committee.

WALL MAPS OF OHIO.  
Representative F. H. Reinhard has on hand a number of Wall Maps of Ohio which he will distribute among the district schools of the county. Any school desiring one of the maps should apply either by mail or by some representative of the school in person. County Superintendent C. J. Biery has kindly offered to deliver the maps to any school in the county that may apply for them. Schools, in order to be placed in the first rank and receive the bonus offered, are required to have among other things a wall map of Ohio.

This is a good opportunity for schools that do not have the map to secure one.

FREE ILLUSTRATED LECTURE.  
If there is one thing that the Farmers of Fulton county are interested in it is how to prevent Hog Cholera. This will be an opportunity which no owner of hogs can afford to miss.

## COUNCIL MEETING

All Members Present For First Meeting of October—Equalizing Board Appointed—Hose For Fire Department Purchased.

The first October meeting of the Council found every member of the body in his place before the "festivities" of the evening were over. The question of assessment of costs on the Hickory, Mulberry and Wood streets improvement, was before the Council and a resolution was passed after deliberation appointing F. E. Kenyon, S. Farnsworth and H. T. Brigham an Equalizing Board to meet at the Council Chambers on Saturday, Oct. 17th, at 1 p. m. when those who object to assessments may appear before the board and state their objections. Mr. D. Miller of Cherry street was present to make inquiries in regard to payment of assessments for driveway constructed by contractors and also to register a request on the part of voters in the South precinct that the council provide more light in the voting booths in that precinct. This matter was referred to the marshal with instructions to furnish the required lights before election.

The Fire Department had been inspecting samples of fire hose and listening to the speeches of ten different agents, before the council adjourned, they submitted samples and contracts to the council together with their recommendations and the council after going over the various samples made a contract with the sales agents of the Empire Rubber hose and tire company of Trenton, New Jersey for the purchase of 500 feet of 2 1/2 inch hose. The Claim Ordinance was passed and the council went into executive session.

## DUTCH BULBS.

The only effect the war had on our bulbs was to give us the extra choice lot of them, as they could not be supplied to England or Germany. They are here now, and the sooner they are planted the better.

## PERRY KIMERER

Lifelong Resident of Fulton County—Civil War Veteran—and Knight Templar. Funeral Services Held Sunday.

Perry Kimerer well and favorably known by many people throughout Fulton and adjoining counties died at his home on West Leggett street, Thursday morning, October first at three o'clock. Mr. Kimerer had been ill but a few days and the news of his death came as a shock to his many friends in this city. The sincere sympathy of a host of friends goes out to Mrs. Kimerer and her son William in this sudden bereavement.

Mr. Kimerer was a man who won friends by his quiet yet genial manner and by his evident interest in the welfare of those about him. The funeral services were held from his late residence on West Leggett street on Sunday afternoon at 2 o'clock, conducted by Defiance Commandry Knights Templars of which Mr. Kimerer was a member. Rev. O. P. Hoffman pastor of the Methodist church, the officiating clergyman. The funeral services were largely attended and the esteem in which he was held by those who knew him. Perry Kimerer, the son of Charles and Christina Kimerer was born in Fulton county, near Wauseon October eighth, 1846, and died October first 1914 lacking just seven days of having completed his sixty-eighth year. He was one of a family of thirteen children, eight sons and five daughters, of this family there now remain but five; three sons and two daughters. Most of his life was spent in and near Wauseon. He enlisted in the Union Army, December

He was also a member of various Masonic orders including the Eastern Star and the Knights Templars and in all of these orders he was an honored member.

December twenty-fourth, 1888 he was united in marriage to Miss Anna Cunningham of Wauseon and their more than twenty-five years of married life has been marked by happy companionship. One son, William C. was born to them and he is left with his mother to cherish the memory of a kind and upright father and husband.

Among those from out of town who attended the funeral services Sunday were Mr. and Mrs. Parley Kimerer, Toledo; Mr. W. M. Trowbridge, Delta; Mr. Will Biddle and Mr. Quincy Bedford, Ai; Mrs. Eva Gasche and Miss Haley Christie, Waverly, Kansas; Mr. D. H. Cunningham, New Castle, Penn.; Mr. and Mrs. J. C. We desire to express our deepest thanks to all those who so thoughtfully and kindly came to our assistance at the time of the death and burial of our husband and father.

To the neighbors both in Wauseon and from the country who rendered us material help as well as the comfort of their presence and sympathy: To Rev. O. P. Hoffman for his comforting words; to the Defiance Commandry Knights Templars for their beautiful service; to those who gave their service of song and to all who by tributes of flowers or kindly words expressed their sympathy we wish to extend our sincere gratitude.

THE JUDICIAL CAMPAIGN.  
Mr. Editor:—Within the last few days I have had brought to my attention that two statements were being circulated that seem to demand a statement from me.

The first was the statement being circulated that my candidacy was solely to secure votes that would otherwise go to Mr. HAM, and thus secure the election of MR. WOLF. A few days ago a prominent professional man of this county (not a lawyer) and who is opposed to Mr. HAM and has been a very warm friend of mine for several years, said to me that he had been friendly to my candidacy but that for several days he had been advised that I was a candidate to get votes away from MR. WOLF in the interest of MR. HAM; that if this was true it would have influence with him as against me.

Every man with any judgment knows that BOTH of these statements cannot possibly be true, and I want to say now that there is no truth in either statement, but both of them emanate from the mind of some political faker. I am positive who he is, therefore will not make my assertion in that manner. They are made for political effects, regardless of truth. I have noticed for many years that the opponents of a man whose election is reasonably certain always predict his defeat and he is the subject of the schemes of the FAKERS.

I am a candidate to secure votes for myself, and not for or against the interests of any particular one of the other candidates. I will not be able to see more than comparatively few of the 6000 voters of this county. I am unable financially to hire men to travel over the county in my interest. I feel content not to do so, because I feel that a candidate for this position should avoid ordinary political methods as far as possible but for the more important reason that everywhere in the county I have found that voters are using their own intelligent judgment and have but little use for the hired men who are travelling around undertaking to influence their votes for any particular man.

I feel that the intelligence of the voters of this county will be sufficient guide as to whom they will select for this office.

### PRIZE ESSAY.

Mrs. T. T. Ansberry is offering a prize of \$10.00 in gold to the school child under sixteen years of age in the Fifth Ohio District who writes the best three-hundred word essay on "The Cotton Plant and its Uses." This should not be confused with the offer of the National Cotton Fashion Show of three prizes of \$20.00 for the first \$10.00 for the second and \$5.00 for the third prize for a three hundred word essay by a school child under sixteen years of age on this same subject.

The only conditions are that the essay must be written by a child attending some school, either public, private or parochial, and the child must be under sixteen years of age; must be written in the competitor's own handwriting and mailed between October 5th and 19th to the Cotton Essay Competition, 1426 N. St. N. W. Washington, D. C. Any child competing from the Fifth Ohio District must so state when sending the essay in along with his or her full name and the name of the school the child attends. These essays will be judged by the National judges both for the National and Mrs. Ansberry's prize and the judges will probably be former President Taft, Andrew Carnegie, David R. Francis, John Temple Graves, Marion Harland, Mrs. Thos. A. Edison and Mrs. George Harvey. The counties of the Fifth District are Defiance, Fulton, Henry, Paulding, Putnam, Van Wert and Williams.

## New Perfex Sanitary Coil

A Sanitary Necessity

Price \$1.75 Each

Authority tells us that the mortality is from three to five times greater in the United States and Canada than in the advanced countries of Europe. It also tells us about 25,000 people die annually of dysentery and over 125,000 infants and children die annually of diarrhoea from improper sanitation. These are undisputed facts. We should guard by care and cleanliness in our homes every avenue by which germs may enter the body. Every physician of note and standing will tell you that it is his highest art and proficiency to prevent disease and ills, rather than try to cure them. Therefore guard against this germ invasion by cleanliness and sanitation and use a Perfex Sanitary Coil in your home.

The New Perfex Sanitary Coil deodorizes, disinfects lavatory bowls and neutralizes the surrounding atmosphere and makes new ozone. All offensive odors disappear immediately. Works automatically. Cleans, deodorizes, disinfects and purifies the lavatory instantly, therefore prevents contagious diseases.
